## White

---

- Santorini, Santowines 2023 \* Santorini | assyrtiko** | 37  
A vibrant aromatic cocktail of sea-breeze freshness and citrus fruits, peach with honeyed undertones. Bone-dry, brightly acidic with a textural mineral smokiness and a food-begging finish
- Nixteri, Santowines 2022 \* Santorini | nixteri** | 38  
A clear lemon color of medium intensity. Expressive flowery aromas of jasmine on the nose, along with green fruits, such as green apple and pear on a vanilla background. On the palate it is dry, with crispy-refreshing acidity, in great balance with the delicate floral and fruity flavors
- Malagouzia, Alpha Estate 2022 \* Macedonia | malagouzia** | 32  
Strong and lively nose, typical Malagouzia, suggesting rose petal with floral aromas and sweet spices, melon, litchi with a note of honeysuckle. Round and mellow on the palate, fat but balanced, high in alcohol with plenty of finesse. Well structured, reminding the nose aromas with a hint of rosemary
- The lady of the lake, Monsier Nicolas \* Karditsa | roditis** | 23  
The yellow- greenish colour will pique your interest. The appeal of its refined and delicate aromas lies in the notes of green apple and white fleshed fruits. Every sip is like entering an orchard of fruit trees in bloom, where the cool spring breeze gently caresses your face.
